PROPERTY DETAILS

1 BEDROOM APARTMENT

2R2 Gibson Terrace is a one bedroom top floor flat with plenty of character and natural light throughout. Set within Dundee's Maryfield area, the property sits approximately 1.5 miles from the city centre.

The living room is where the flat makes its strongest impression. A large window draws in plenty of natural light, while decorative cornicing, timber flooring and built-in shelving give the room its own identity. There is ample room for a comfortable seating arrangement, with the current layout also showing how easily a desk can be incorporated.

The separate galley kitchen includes fitted units, good worktop storage, an electric hob and oven, with a window at the far end. The double bedroom continues the light feel of the flat and includes built-in shelving, while the bathroom completes the accommodation.

Off road parking is a particularly useful addition in this part of Dundee. Baxter Park is nearby, with local shops and regular bus connections also available throughout the surrounding area.

With its top floor position, characterful living room and convenient location, this is an appealing first home as well as a practical buy to let opportunity.

Floor plan is for illustrative purposes only, measurements are approximate and not to scale.

The background of the entire page is a dense, artistic illustration of various tropical leaves. The leaves are rendered in shades of dark teal, forest green, and deep navy blue, with some areas highlighted in a golden-yellow color to create a sense of depth and texture. The leaves vary in shape, including large heart-shaped leaves, deeply lobed monstera-style leaves, and feathery fronds.
