There's something about your own front door that just feels different… and this smart one-bedroom ground floor flat delivers exactly that.

Positioned in a superb central W10 location, this beautifully finished home offers proper proportions and a layout that works. The open-plan reception has genuine space to relax and dine — not an afterthought — flowing seamlessly into a sleek, fully fitted kitchen with Siemens appliances and clean modern lines.

The double bedroom is a comfortable, well-balanced space, while the bathroom is finished with striking marble tiles giving it that boutique-hotel feel. Nest environmental controls keep everything efficient and easy to manage.

And then there's the private south facing patio — your own outdoor space for morning coffee. Set within easy reach of Ladbroke Grove transport links and a host of local shops and amenities.
