Description

A well-positioned single garage situated in a convenient location just off Devizes Road. The garage is clean and tidy throughout, making it ideal for vehicle parking or general storage purposes. Internally, the garage measures approximately 4.6m x 2.7m and benefits from a secure up-and-over door. Please note that there is currently no electricity or lighting connected. Available immediately, subject to agreement.

A Note From the Whites Letting Team

Thank you for considering Whites as your letting agent. As a proud member of the Royal Institution of Chartered Surveyors (RICS), we strive to uphold its core values by providing a fair, efficient, and transparent service to all prospective tenants. Below, we outline how we manage property inquiries and applications to help set expectations and guide you through the letting application process.

To start the process of inquiring about one of our properties, please click the 'Request Further Details/Info' button on the property listing.

If you are inquiring through Rightmove, you will be asked to fill out a short form, which will be sent directly to us. If you are using our website or On The Market, we will receive your contact information and get back to you as soon as possible with a brief questionnaire to complete.

Once we receive your completed form or questionnaire, your inquiry will be registered with the relevant Property Manager. Please note that only those who complete this step will be considered to have formally inquired about the property.

Due to the high level of interest we often receive, we regret that we are not always able to offer everyone a viewing. Whenever possible, we handle inquiries in the order they are received and arrange viewings in groups of up to four for the first round. If the property remains available, an additional round of viewings may be scheduled. To manage expectations, we may also temporarily pause viewings to review inquiries. If this occurs, we will do our best to update you.
