Planning

North Northamptonshire Council granted planning permission on the 12th July 2023 under Application No. NK/2022/0047 for the redevelopment of site to create 6 no. dwellings. Clearance work has concluded with contents removed and walls, floors and ceilings stripped back ready for building work to commence.

The application site has several existing buildings on the site, the former public house with living facilities above, a row of cottages and a double garage storage unit opposite the main building. The application creates 6 individual residences of one and two bedrooms, mainly as conversions within the existing buildings, in addition to new floor space being created. We understand the pub is not grade listed.

Schedule of Accommodation:

2 bed (Existing pub block) Plots1, 2 & 4

1 bed (Existing pub block) Plot 3

2 bed (Extension over pub) Plot 5

2 Bed (Rebuild garage) Plot 6

There is proposed a gated courtyard for parking on the site for plots 2 to 6, whilst plots 1 will utilise the existing parking at the front of the main public house building with each dwelling having 1 parking space.
