The Property

Occupying a generous plot and set back from the main road in the popular village of Feltwell, this impressive three-bedroom detached bungalow has undergone a comprehensive refurbishment, creating a stylish and highly practical home where the next owner can simply move in and enjoy. The extensive works have included new electrics, zoned underfloor heating and a new air source heat pump, alongside a complete transformation of the accommodation throughout.

Internally, the property has been finished with a contemporary feel while retaining a comfortable and welcoming layout. The modern fitted kitchen is equipped with an induction hob, oven, extractor and integrated fridge/freezer, providing a smart and functional space for everyday living. The principal bedroom benefits from its own modern en-suite, while the two further bedrooms offer excellent flexibility for families, couples or those working from home, with either room equally suited as a study, snug, playroom or guest bedroom. A particularly striking family bathroom completes the accommodation, featuring modern sanitaryware and an illuminated LED mirror.

The outside space is another real feature of the property. Set well back from the road, there is off-road parking and carport together with a substantial wraparound garden. A paved patio provides an excellent space for outdoor seating and entertaining, while a useful storage shed offers additional practicality. To the rear, the garden enjoys an open outlook towards neighbouring paddocks, where horses can often be seen, giving the property an attractive rural backdrop.

For buyers looking for a modern, energy-conscious home with generous outside space but without the disruption and expense of carrying out major works themselves, this bungalow represents a particularly attractive opportunity.
