### Location:

Springfield Road is a sought after residential road in Linslade, and boasts a range of period properties, many with a wealth of character. The mainline train station is a few minutes walk from the property with trains to London Euston in as little as 30 minutes. The town centre is also within walking distance, as well as being within sought after school catchment, this location remains in high demand. The property is well situated for access to road transport links, with the nearby by-pass providing easy access to Aylesbury and Milton Keynes, and further afield via the M1 junction 11A. Linslade also boasts a wealth of picturesque walks including the Grand Union canal and Linslade Woods

### Ground Floor:

The property is entered via an entrance hall with stairs rising to the first floor and access into the lounge/dining room. Formerly arranged as two separate rooms, the reception space now spans the depth of the property and features a bay window to the front. A door leads to a ground floor wet room, while stairs descend to the basement level.

### Basement:

The basement level provides a useful cellar room positioned to the front, which has previously been utilised for a variety of purposes. Also on this level is a fitted kitchen, bathroom with separate WC and a utility/lobby area providing access out to the rear garden.

### First Floor:

The first floor landing provides access to three bedrooms. The master bedroom spans the width of the property and offers generous proportions with ample space for a range of furniture. The remaining two bedrooms overlook the rear garden.

### Outside:

The rear garden is a particularly appealing feature of the property, extending to a notable length and arranged with a paved patio area leading onto a lawned section. The garden includes a variety of mature shrubbery and fruit trees, creating an established outdoor environment, while a greenhouse is positioned at the far end of the plot.
