3 Westwood Grove, Leek ST13 8DS

Selling with NO CHAIN, Whittaker and Biggs are pleased to offer to the market this terraced house built in 1900, the property spans an impressive 840 square feet and boasts a versatile layout that is ideal for families or those seeking additional space.

Upon entering, you are greeted by a welcoming reception room that sets the tone for the rest of the home. The contemporary kitchen is a highlight, providing a stylish and functional space for culinary enthusiasts. The first floor features two well-proportioned bedrooms, complemented by a modern shower room, ensuring comfort and convenience for all residents.

One of the unique features of this property is the self-contained lower ground floor studio flat, which presents an excellent opportunity for guests, a home office, or even rental potential. The possibilities are endless, making this home adaptable to your lifestyle needs.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those

buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
