The property offers well-proportioned accommodation extending to approximately 1,522 sq ft, with a further garage and outbuilding adding useful storage and workshop space. The house has been well cared for over the years and now provides an excellent opportunity for a buyer looking for generous room sizes, a good garden and the chance to put their own stamp on a long-term family home.

The ground floor is particularly flexible, with four reception areas that lend themselves well to family living, entertaining or working from home. The main living room sits to the front of the house and connects through to further reception space, creating a good sense of flow. To the rear, the family room and dining room enjoy views over the garden, with doors opening directly onto the patio and lawn.

The kitchen is fitted with a range of timber-fronted units, work surfaces, tiled splashbacks, sink unit, gas hob and oven, with space for freestanding appliances. It is perfectly usable as it stands, while also offering clear scope for future updating or reconfiguration, subject to a buyer's own requirements.

To the first floor there are three genuine double bedrooms, all of which are well proportioned. The principal bedroom is especially generous and benefits from windows to both the front and rear. There is also a family bathroom and separate WC.

Outside, the rear garden is one of the property's strongest features. It is a generous size, mainly laid to lawn, with a paved seating area, mature boundaries, greenhouse and useful outbuilding. The garden offers excellent space for families, gardeners or buyers wanting a more private outdoor setting.

To the front, there is driveway parking and access to the garage, which provides further storage, parking or workshop potential.

Offered with no onward chain, 40 Oak Drive is a sizeable detached home with excellent space, a strong plot and considerable potential in a well-established residential location.
