Upper Bridge Road, Redhill

Situated on the well-regarded Upper Bridge Road is this three bedroom, semi-detached house. It presents an excellent opportunity for buyers seeking a property with significant scope to renovate, extend and personalise (subject to planning permissions).

The accommodation is arranged over two floors and offers well-proportioned rooms throughout. The ground floor consists of a front-facing living room filled with natural light, alongside a separate dining area providing a flexible space for family living and entertaining. The kitchen is located to the rear of the property and offers direct access to the garden, presenting an ideal opportunity for redesign or reconfiguration to suit modern open-plan living.

The rear garden is laid to lawn with fruit trees and berry bushes.

Upstairs, the first floors comprises three bedrooms, including two generous doubles and a third, generous single bedroom, along with a family bathroom. The layout lends itself well to modernisation including scope for a loft conversion, allowing buyers to maximise both space and functionality.

Externally, the property benefits from a private rear garden offering further potential for landscaping, while to the front there is space for off-street parking. The house occupies a convenient and popular residential location, within easy reach of Redhill town centre, local schools, shops and transport links, including Redhill Mainline Station with services into Central London.
