River View is very pleasantly situated on the northern edge of Worton Village and accessed via the road which runs between the A684 and Askrigg. The quiet village of Worton is situated in the heart of Upper Wensleydale in the picturesque Yorkshire Dales. It is well placed in relation to the local market towns of Hawes, Leyburn and Richmond where there is a range of services and amenities.

The property is also within travelling distance to the A1(M) interchange at Leeming Bar and A19, bringing the larger centres of York, Leeds and Newcastle within reasonable travelling distance.

DESCRIPTION

River View is an attractive, detached stone built traditional dales property. It is attractively and well presented throughout. It has been sympathetically extended over time to enjoy full panoramic views to the rear across Upper Wensleydale.

The property is entered into a useful Entrance Lobby which is ideal for leaving coats and boots, which then leads into the multi-functional lobby area. This area could be used as it is now as a Sitting Area or as a separate Dining Room. This room has stone flagged floors and a large log burner. From here, it then leads to the downstairs bathroom, stairs to the first floor and a separate Sitting Room.

The Sitting Room offers a dual aspect light and airy environment which will be equally as cosy during the winter months. To the rear you find the heart of the property which is the Dining Kitchen with attached Garden Room. This room has been tastefully renovated with stone flagged floors throughout, wall and floor units, full height pantry cupboard and a separate walk-in Pantry. The Dining Kitchen also features an area for dining with full height glazed windows and a sitting area to make the most of the far-reaching views over open countryside beyond. The Garden Room is fully capable for offering indoor/outdoor living with a door leading onto the terraced patio area where the landscaped gardens lead on.

The first floor of the property features three good sized double bedrooms with the Master bedroom again being dual aspect to make the most of the views. The first floor of the property is finished off by a beautiful Bathroom with bath and shower over it, WC and sink with vanity unit.

Externally, the property has off street parking and a small, paved area to the front. At the rear of River View features a beautifully landscaped garden with terraced patio at the top, which leads down to a range of mature shrubs and flower beds to a Garth at the end with a selection of mature trees. In total the property extends to 0.32 acres.

Overall, internally the property has been beautifully renovated and offers a fantastic blend of traditional Yorkshire Dales character features with modern style to create a property with light and airy accommodation which will be perfect for all seasons of the year and suitable for a range of different buyers. River View would make a wonderful family home, second home or holiday let and viewing is advised.
