Birkentrees

This handsome detached residence, built by Costain in the 1920s, with original period features throughout, is an elegant family home that blends character with contemporary comfort.

Occupying a level plot of approximately one acre, the property is arranged over three floors and offers well balanced and versatile accommodation. A welcoming reception hall, complete with original oak flooring and an impressive Arts and Crafts style fireplace, sets the tone for the rest of the home.

To the left, a double aspect reception room, currently used as a study, while to the right, an elegant dining room with a working fireplace provides the perfect setting for formal entertaining. A connecting hallway leads to a conveniently positioned cloakroom.

A particular highlight of the home is the exceptional open plan kitchen, dining and living space. Designed with modern family living in mind, it features underfloor heating, two large skylights, and sliding doors opening directly onto the garden. A separate utility room, also with underfloor heating, provides additional practicality. There is also a further reception room, presently utilised as a home office.

The first floor hosts a principal suite, complete with fitted wardrobes and an ensuite bathroom featuring a freestanding bath, walk in shower and double vanity unit. Three further double bedrooms are also located on this floor, one benefiting from its own ensuite shower room, while the remaining two are served by the family bathroom.

On the second floor, there are three additional bedrooms, one of which is currently used as a playroom, as well as a shower room.

The landscaped gardens wrap around the property and include terraces on two sides, a level lawn, and mature hedging. To the rear lies a leisure area, featuring a heated outdoor swimming pool with a decked area, summer house and pool house. Further benefits include a fully powered cabin with and a detached double garage, and extensive parking.
