We've always felt lucky to have this perfect spot in BS5. We look out onto beautiful trees and woodpeckers and it's so peaceful being on a cul-de-sac. The cycle path behind us is perfect for getting to Bristol and Temple Meads one way and into countryside the other. The house itself is a beautiful blend of old and new - character from the oak construction but modern, efficient and spacious. Best of all is the community - the kids play together and there's always a friendly face on the street
