There is also a lounge which has an open fireplace and door leading out to the patio area along with a rear inner lobby which has a cloaks/storeroom and gives access to the stairs leading to the first floor. Upstairs there are two bedrooms, the largest of the two having a cast-iron fire surround and window to front elevation and enjoying the open views.

Outside, the gardens are of a tiered nature and enclosed by a mix of stone and hedgerow borders. There is a patio area located immediately to the front of the property along with further lawned areas and potential for off street parking (subject to the necessary consents).
