Upon entry, a welcoming entrance hall provides access to the sitting room, which could equally serve as a ground floor bedroom, the family room and stairs rising to the first-floor landing. Positioned at the front of the home, the sitting room is beautifully presented and benefits from ample built-in storage, a large bay window allowing for plenty of natural light, and an open fireplace that creates an attractive focal point. Centrally located, the versatile family room forms the heart of the home and provides seamless access to the kitchen/dining area, with a charming log burner adding further character and warmth. To the rear, the extended open-plan kitchen/dining room serves as the true hub of the home, finished to a high modern standard while complementing the property's period charm. A striking lantern skylight floods the space with natural light, while a substantial breakfast bar with inset sink, a range of built-in storage units and integrated appliances including fridge, freezer and dishwasher enhance both style and practicality. There is ample space for a dining table and chairs, with a single door opening onto the rear garden, creating an ideal setting for entertaining. The utility room offers additional convenience with plumbing for a washing machine, and the ground floor cloakroom comprises a WC and wash hand basin. A further door provides additional access to the rear garden.

Bedroom two is also a comfortable double, benefiting from fitted storage and a pleasant outlook over the rear aspect. The modern family bathroom is finished to a high standard and comprises a contemporary suite with shower over bath, WC and wash hand basin.

## Outside
