Entrance

A uPVC double-glazed door with matching side panel opens to the entrance, which has an attractive tiled floor and a ceiling light point. Amtico style flooring leads through to the living kitchen. The property has oak doors throughout with brushed chrome door furniture.

Living Kitchen

This room acts as the hub of this lovely family home and the kitchen has a range of modern, matt finish wall and base cupboards, granite worktops with matching upstands extending to form a breakfast bar, and an inset sink unit with an overlying Quooker tap. Integrated appliances comprise a Bosch oven, halogen hob, microwave and dishwasher, There is housing for an American style fridge freezer. The Amtico style herringbone patterned flooring runs from the breakfast island into the living area. The living area incorporates a media wall with an inset TV. There is a timber mantel over a granite style hearth, home to a wood burning stove. Natural light comes from several uPVC double-glazed windows across two elevations and bi-folding doors lead out onto the Indian stone patio, enjoying a wonderful southerly aspect. An oak door leads into a lobby area, where there is a modern vertical style radiator and a staircase rising to the first floor. Access can be gained to the following rooms:

Bedroom One

The master bedroom is of a particularly good size and has a lovely outlook over the rear garden via a set of uPVC French style doors. There is a continuation of the Amtico style flooring, a central ceiling light point, a contemporary vertical radiator, power points and a useful under stairs store cupboard/wardrobe.

House Bathroom

The bathroom has a white suite comprising a panelled bath with twin taps, a pedestal hand basin with twin taps and a low-level WC. There is a corner fitted shower cubicle, home to a mains fed Mira shower. The walls are part tiled with a contrasting tiled effect floor. There are inset downlights to the ceiling, an extractor fan and a wall-mounted ladder style heated towel rail. Natural light comes from the rear elevation via two uPVC double-glazed windows.
