Step inside

Converted in 2008 and finished internally to a high standard using premium materials, this property has been thoughtfully crafted as a home for life. The barn offers a spacious and flexible layout, ideal for various uses. It features a separate downstairs bedroom, lounge area, and shower room, making it suitable for dual-family living, guest accommodation, or a comfortable family space.

The open-plan kitchen, with a bespoke design handcrafted by Quails of Usk, features a granite worktop and central island. It flows seamlessly into the dining area, which has ample space for a large dining table and further room for sofas and chairs. Steps lead down to a different level that extends into the lounge, enhancing the versatile layout.

Step outside

Situated in the picturesque countryside of Newchurch, this detached stone barn offers a rare opportunity to acquire a beautifully converted home set on approximately 1 acre of landscaped grounds.

As you approach, a sweeping driveway leads to the central position of the barn on the plot. The grounds have been landscaped to some extent, but present further potential for creating additional outdoor spaces - ideal for gardening, entertainment, or relaxation. An approximately 4 acres field is offered by separate negotiation.

AGENT'S NOTE:

The septic tank is located in a neighbouring field and we are advised that access will be grated to maintain and empty it.

The property and additional land is currently on two titles and we are advised that the vendor is in the process of arranging for this to be split.
