Directions

THE PROPERTY

This superb five double bedroom detached house is located in a quiet road just off The Park, within walking distance of Bath Road and less than a mile from Montpellier.

The property is discreetly tucked away and accessed via electric gates into a large walled front garden with a generous driveway and double garage.

As you enter the property into a large hallway with cloakroom, to the right is a large lounge which runs front to back and has doors to the garden. To the left there is a large formal dining room with dual access to the hall and leading into the bright and spacious fitted kitchen complete with Aga and fitted appliances, utility room and a good-sized breakfast area for informal dining. Off the kitchen are double doors leading to a second sitting room with a study beyond.

To the first floor there is a spacious master bedroom with built-in storage and an adjoining bathroom, second bedroom with en suite shower room, third double bedroom and a well-appointed family bathroom with shower and bath.

The second floor of the property has another very large double bedroom, a smaller double bedroom and a further shower room. The property is warmed throughout by gas central heating.

To the rear of the property is a pretty walled garden with a mixture of mature planting, lawns and paved areas.
