Marlborough Road, N19

A contemporary four bedroom Victorian family home, combining period character with thoughtful modern updates, offering generous and versatile living space.

On entering the property, a bright entrance hall with an internal Crittall-style window and door leads to a double reception room, where high ceilings, intricate cornicing and a feature fireplace showcase the homes character.

To the rear, a contemporary kitchen/dining room provides generous storage and opens directly onto the landscaped garden. Backing onto an ivy-draped mews, the garden is beautifully planted with mature trees and shrubs, creating a private urban oasis, ideal for entertaining, al fresco dining and family living.

The upper floors have four double bedrooms. The principal suite features a walk-through dressing area with extensive fitted wardrobes and an en suite, while a second bedroom also benefits from an en suite. Two further double bedrooms are served by a modern family bathroom.

Marlborough Road is a tree-lined residential road, located close to many local amenities and restaurants, and within half a mile of Archway tube, Upper Holloway station and the green open space of Whittington Park.
