#### Accommodation

The accommodation is arranged over two floors and retains a wealth of character throughout. The ground floor is entered via a porch into a central hallway, leading through to the principal reception spaces.

The main sitting room/dining room is a particularly attractive space, centred around a striking inglenook fireplace which provides a real focal point and enhances the cottage's charm. This room offers ample space for both relaxing and dining, with a cosy yet open feel. A second reception room provides additional flexibility and could be used as a snug, study or further sitting room depending on requirements.

The kitchen is fitted in a traditional shaker style with wood-effect laminate worktops and includes an oven. There is space for further appliances, and the room enjoys a pleasant outlook with access towards the garden. A useful outside W.C is also located next to the kitchen
