The spacious 3 bed/3 storey home...

Set in a quiet, leafy corner of the ever-popular Old Catton, just a short hop from the vibrant heart of Norwich, this immaculately presented three-storey townhouse offers refined living in a wonderfully peaceful setting.

Positioned opposite a pretty green, the home enjoys an enviable outlook and a sense of tranquillity rarely found so close to the city. The surroundings are delightfully calm, with tree-lined streets, well-kept gardens, and a strong sense of community – all within easy reach of local amenities, schools, and transport links.

Step inside and you'll find a home that's been lovingly maintained and thoughtfully arranged. On the ground floor, a welcoming hallway provides storage and a cloakroom, while to the front sits a modern, well-equipped kitchen with integrated appliances, space to dine, and views across the green – the perfect spot for your morning coffee.

To the rear, the spacious living and dining room is bathed in natural light, with tasteful finishes, clever understair storage, and French doors that open out to the garden. Whether you're hosting friends or enjoying a quiet evening in, this is a room that adapts effortlessly to modern life.

On the first floor, two generously sized bedrooms provide flexibility for family, guests or home working. One is currently used as a gym, the other benefits from a wall of fitted wardrobes and a peaceful rear aspect. A well-appointed family bathroom completes this level.

Upstairs, the top floor is dedicated to a truly impressive principal suite. The main bedroom is light-filled and spacious, with ample room for a desk or dressing area. Adjoining this, you'll find a fabulous walk-in wardrobe and a smart shower room – a private sanctuary at the top of the house.

Throughout, the property is presented in turn-key condition – stylish, practical, and full of natural light.

The south-facing garden itself is a charming retreat – complete with decking, established planting (yes, even a palm tree!), and gated access to the private garage and parking space beyond.

All of this, just a short drive or cycle from Norwich city centre, with its bustling market, historic architecture, cultural hotspots and fast rail links to London. Closer to home, Old Catton offers excellent amenities, schools, green spaces and that ever-desirable village feel — all while keeping you connected.
