The Bungalow/Plot

Currently this two bedroom, detached bungalow set within a generous plot, within the heart of Goonhavern. The bungalow is of non-standard construction and due to this and any work needed, we strongly believe this to be a redevelopment site.

The plot itself measures approximately 0.16 acres and currently has access from the large frontage/parking area onto Engelly Road. This is a great site for two dwellings (subject to all relevant planning permissions)

Camel Coastal and Country strongly recommend moving quickly if you are looking for a plot to develop a lovely detached home or are a developer looking for a potential building plot.

This is a CASH PURCHASE Only.
