Coming onto the market chain free is this well presented three bed roomed home, ideally positioned for both access to Redruth town centre as well as the A30 trunk road. An ideal first purchase or as an investment, this family home can certainly be described as "ready to move in to". Occupying a slightly elevated position, this property is particularly deceptive in terms of the size of the accommodation on offer. The front door opens into a hallway with stairs accessing the first floor. A door accesses the lounge/living room where a through route is created by a second door that gives access to the dining room and then through into the kitchen. The kitchen is of a good size and the vendor has advised that both the washing machine and dishwasher are included in the sale. The kitchen has good storage options with two separate built-in units including a full height pantry cupboard. From the kitchen, access is given to a useful rear hallway which has a downstairs WC and two storage rooms, the one at the front of the property being of a good size. As well as the rear garden, access can also be gained to the front of the property and driveway from this hallway. Stairs in the hallway lead to a particularly bright and airy first floor landing courtesy of a large side window that casts much natural light into the property. There are two bedrooms to the front of the property with a third to the rear. The larger bedroom to the front has the added benefit of a built-in wardrobe and enjoys far reaching views towards Carn Brea in a south easterly direction, the views also pertinent to the third bedroom. All three bedrooms are complemented by a well presented family shower room with a good sized shower cubicle.

Externally, there is an ascending driveway beyond the pedestrian pavement that is very low maintenance. There are steps up to the front door and an external door to the side gives direct access to the aforementioned rear hallway. The rear garden is accessed again from that hallway and opens out onto a pathway that runs the width of the property. The garden itself is of a very good size and features three ascending laid to lawn areas split by two pathways. There is also a good sized garden shed. The vendor has also advised that in terms of construction, the walls are thermalite block on the inside with Cornish stone on the outside.

In terms of location, this property is very conveniently located close to Redruth town centre, within one mile, which offers both independent and chain stores, cafes, a cinema and public

houses, and so can be accessed in around twenty minutes or less on foot or via a short drive. A main line railway station in the town gives links to London and bus services to Truro and Falmouth. The A30 link road is nearby, within two minutes by car. Other local amenities are also available including a Tesco supermarket and schools within walking distance. Further afield, Portreath Beach on the north coast is within fifteen minutes drive as well as many other local beaches and attractions being nearby.
