"Our home really feels like a warm and inviting family home and over the years we've particularly enjoyed getting in from a winter dog walk with the kids and settling down to watch a film with a hot chocolate and the log fire burning. Halloween and Christmas are particularly special on the road (and Somerset Road) and we love the annual carol concert! In the summer, we enjoy opening up the dining room doors and moving the table to the patio for dinners with our neighbours and friends."
