Welcome to Creffield Road, an exceptional collection of just six beautifully crafted, newly converted apartments set within an elegant period property on one of Ealing's most prestigious residential roads.

Flat 6 is a stunning large one double bedroom top floor flat with high ceilings, amazing natural light, a share iof the freehold and low service charges.

Carefully designed to blend period charm with contemporary living, each apartment offers thoughtfully planned accommodation with bright interiors, generous proportions and a high-quality specification throughout.

Every detail has been considered to create stylish and practical homes for modern living. Features include bespoke kitchens with integrated appliances, luxury bathrooms, underfloor heating, premium flooring and energy-efficient construction, all finished to an exacting standard.

Selected apartments benefit from private outside space, whilst all residents enjoy the convenience of secure cycle storage and parking to selected units.

Residents are also perfectly placed to enjoy the wide array of independent cafés, restaurants, shops and green open spaces that Ealing has become renowned for, including Ealing Common, Walpole Park and the vibrant centre of Ealing Broadway. Show flat photos are of the developers previous development locally.

The current owner says:

This property has been delivered with no expense spared, and the developer has really thought and understood the requirements of the end user, and delivered a quality home to suit those needs. It needs to be viewed to be appreciated.

What's better:

This contemporary development has been finished with a stunning colour palette that feels inviting and homely with lots of modern features for a buyers enjoyment. We particularly like the high ceilings, modern finishings and bespoke joinery that make these inviting homes.
