Location

The property is set along Albert Road; just a short stroll from the centre of Framlingham. There is a good selection of independent shops and businesses within the town including cafés, restaurants, hairdressers, antique shops, a travel agency, nursery, vets and delicatessen. Nearby is Sir Robert Hitcham's CEVA Primary School & Nursery, Thomas Mills High School and Framlingham College. Framlingham is also home to the Crown Hotel and a Co-operative supermarket. In recent years Framlingham has often featured as the number one place to live in the country, and is perhaps best known for its magnificent castle.

Framlingham is surrounded by delightful villages, many of which have popular public houses. There are lovely walks from the town into the surrounding countryside, and amenities such as golf in nearby locations such as Cretingham (6 miles), Woodbridge (12 miles) and Aldeburgh (13 miles). The world famous Snape Maltings Concert Hall is nearby (10½ miles), and there is also bird watching at the RSPB centre at Minsmere (15 miles). Framlingham is only 12 miles from the coast as the crow flies with easy access to the popular destinations of Southwold, Dunwich, Thorpeness and Orford. The county town of Ipswich lies approximately 18 miles to the south-west and from here there are regular services to London's Liverpool Street, scheduled to take just over an hour.

Description

This delightful Victorian property, which is just a short stroll from the centre of the town, offers beautifully presented accommodation throughout.

Probably dating from the late 19th century, 7 Albert Road is an impressive example of a Victorian town house that has undergone an extensive programme of renovation and refurbishment by the current vendors in recent years.

The front door opens into a twin aspect, spacious reception room, that is used principally as a sitting room, but with a cleverly designed dining/study alcove set beneath the staircase. The room is extremely light, with large sash windows on the front and side elevation, and with bespoke joinery framing the feature fireplace.

A doorway from the sitting room leads through to the impressive kitchen/breakfast room with an extensive range of cupboard and drawer units set beneath a Quartz worksurface and which incorporates a peninsular breakfast bar. The layout of the kitchen has been cleverly designed to maximise the cupboard and storage space, but likewise make the most of natural light with two large windows overlooking the rear garden.

The kitchen/breakfast room links through to the extremely useful rear hall/boot room, that has become the main entrance for the vendors, and beyond this is the spacious ground floor shower room.

On the first floor there is an 18' principal bedroom with an excellent range of fitted wardrobe cupboards, a second guest bedroom with window providing direct views across the town's roofscape and towards St Michael's church, together with a bathroom that includes a freestanding stone resin bath. In addition to the extensive internal refurbishment works, the rear garden and driveway have also been landscaped. The shingled driveway is sufficiently large enough to accommodate two vehicles and has an EV charging point. The rear garden has been partly paved, but with a central area that is laid to lawn together with a small enclosed vegetable patch. The patio areas have been positioned to make the most of the sun throughout the day and into the evening. At the very rear of the garden is a useful 'utility' storage shed with water, electricity and drainage connected.
