12 Clifton Terrace

Liskeard, Cornwall, PL14 4HN

Guide Price: £260,000

Well maintained three bedroom end of terrace house

Spacious living accommodation throughout

Low maintenance decked area to rear with potential to landscape the upper garden

Off-road parking and single garage to the rear

Situated close to local amenities and public transport links

Description

This substantial end of terrace property presents an excellent opportunity for those seeking a spacious and well maintained home close to the town centre, yet enjoying the benefit of countryside views.

The accommodation is thoughtfully arranged and comprises three generous double bedrooms, each offering ample space for furnishings and storage, making the property ideal for families or professionals seeking flexible living arrangements. The main living areas are bright and inviting, with well proportioned rooms that provide a comfortable setting for both relaxation and entertaining.

Additional features include off road parking providing ease of access and a single garage, which offers further storage options or the potential for a workshop or hobby space.

The property has been well-maintained, with its location being particularly appealing, being within easy reach of the town centre, which offers a range of shops, cafes, schools, and amenities, while also benefitting from picturesque countryside views that can be enjoyed from the front aspects of the home.

Outside

The property is accessed via a pedestrian pathway to the front elevation, with an area of stone chippings and rockery. Also to the front, is parking on a first come first serve basis.

To the rear elevation, steps lead to a raised decked area, being an ideal space for outdoor dining and entertaining.

The upper portion of the garden is sloped with great potential to further landscape to suit the next owner's requirements.

At the far end of the garden, there are further steps leading to the detached single garage and one parking space.

Garage

Situated to the rear elevation, at the end of the garden, is a single detached garage. This benefits from having power throughout and is a useful space for additional parking or storage.
