The existing accommodation comprises an entrance hall with double doors opening into the impressive Family/Living/Kitchen room, creating a modern open-plan space with large sliding doors overlooking the rear garden. This room features a newly fitted kitchen with an L-shaped island incorporating a recessed dining area and breakfast bar, all finished with concrete-effect worktops. The space flows naturally into the living area, with ceramic tiled flooring throughout.

A separate utility room provides additional space for laundry appliances, a second sink, and an external door to the side of the property. Both bedrooms are positioned at the front, the family shower room is presented in a contemporary style, offering a walk-in shower, wash basin, and concealed WC.

The property further benefits from an external GARDEN ROOM, currently arranged as a home gym and bar, with doors opening onto a patio area complete with an outside awning.

Externally, the property is approached via a tarmac driveway offering off-road parking, with a level lawn set behind a mature hedge providing excellent privacy from the road. The rear garden is also laid to level lawn with enclosed boundaries, offering good seclusion. Additional features include a timber-built garden shed and side access.

***PLANNING:** Permission has been granted for an extension and conversion of the roof to create a substantial 4 bedroom house with 3 reception rooms plus retaining the existing kitchen/family room.
