A CHAIN FREE three bedroom detached bungalow occupying a generous level plot in the popular Lower Willingdon area. The property offers well proportioned single storey accommodation together with a driveway, garage and a particularly good sized lawned rear garden. The bungalow has been extended previously to provide a larger kitchen, although the plot offers excellent potential for further extension, with the existing kitchen area seemingly lending itself perfectly to being extended across the full width of the property, subject to the necessary consents. The property would benefit from some updating and modernisation, providing an exciting opportunity for a new owner to improve, personalise and potentially transform the accommodation to their own requirements. A further valuable feature is the presence of owned solar panels, installed on both the side of the bungalow and the garage roof. Outside, the property enjoys a substantial rear garden, offering plenty of space for landscaping, entertaining or simply enjoying the outdoors, alongside the driveway and garage providing excellent off road parking and storage. Situated in a popular residential location close to Willingdon and Wannock, the property is well placed for local shops, amenities and bus routes, with the beautiful South Downs also within easy reach. A rare opportunity to acquire a detached three bedroom bungalow with a generous plot, owned solar panels and significant potential for extension and improvement.
