Positioned on one of New Barn's most sought-after tree-lined roads, this beautifully refurbished and extended detached family home offers over 2,600 sq ft of superbly presented accommodation, including a double garage.

The heart of the home is the stunning rear extension, creating a spacious open-plan kitchen, living and dining area flooded with natural light from bi-folding doors and a striking sky lantern. Finished with stylish herringbone flooring and fully integrated appliances, it's a perfect space for modern family living and entertaining.

A separate family lounge to the front provides a cosy retreat, while a study — which could also serve as a sixth bedroom — along with a utility room and cloakroom, add further practicality to the ground floor layout.

Upstairs, the impressive principal suite sits above the garage, offering generous proportions, fitted wardrobes and a contemporary en-suite. Four further bedrooms (three doubles) and a modern family bathroom complete the first floor.

Externally, the property benefits from a gated driveway with ample parking, a double garage and a beautifully maintained rear garden with patio and lawn, offering excellent privacy.

Ideally located for reputable schools, excellent transport links including the A2, M25, M2 and M20, as well as stations at Longfield and Ebbsfleet International, this is a substantial and stylish family home in a prime location.
