### THE OPPORTUNITY

21 BEDROOM HMO | £176,400 pa

The property benefits from consent ( 21/P/3016/FUL ) for use as a 21 bedroom HMO.

There is potential for circa £700 per room pcm | £14,700 pcm | £176,400 pa

The property has been most recently leased on a long term commercial lease to an organisation utilising the HMO licence to house vulnerable women and children.

We understand the HMO licence is for up to 21 adults and up to 25 occupiers including children. Given many of the bedrooms are suitable for use as doubles, there is scope to increase subject to consent.

Interested parties to make their own enquiries.

### RESI DEVELOPMENT

Given the scale of the property and the sought after location there is scope for either a large family home or to split the property into smaller residential units.

### LOCATION

The town of Clevedon is particularly well placed for commuting to Bristol. Apart from the many high street shops, restaurants and food stores the town and surrounding villages have many an active and popular public house visit and enjoy. The local schools are all exceptional rivaling the nearby private schools such as the Downs Preparatory School at nearby Wraxall which offers schooling for boys and girls aged 4 to 13 years. Clifton College and Clifton High School are within approx. 9 miles travelling distance via the Clifton Suspension Bridge. There is a plethora of outdoor activities with a choice of scenic walks nearby, as is the National Trust Tynesfield Estate, a Grade 1 Gothic revival mansion set in 540 acres of stunning gardens and open parkland. For the commuter the M4/M5 motorway network is reached at Junction 20 of the M5. Clifton Village with its colourful range of high street shops, boutiques and restaurants is accessible via the Clifton Suspension Bridge.

### BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

### GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

### RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
