Accommodation

The lovely reception hall with its feature mosaic tiled floor provides a welcoming introduction to the home, where stairs rise to the first floor and doors lead to the spacious ground floor accommodation.

To the front, the comfortably sized lounge has a focal chimney breast with an open fire basket set on a natural slate hearth, a feature wooden strip floor and a wide walk-in bay window providing an abundance of natural light.

The heart of the home is the spacious open plan living kitchen which extends to the full width of the ground floor, having a focal chimney breast with a blue brick hearth and an original dresser unit in the living area. The kitchen area has a range of base level units with worktops and breakfast bar, an inset ceramic sink unit set below the rear facing window and mosaic splashbacks, fitted gas hob with an electric oven under, an integrated dishwasher, a useful downstairs cupboard and a door to the enclosed passage that runs to the full depth of the home, with gated access to both elevations, plus plumbing for a washing machine. In the living area, a wide arch leads to the versatile garden room, currently utilised as a dining room but also ideal for soft seating, with uPVC double glazed French doors opening to the decking and garden.

To the first floor, the pleasant landing has a loft hatch to the loft which provides potential to be converted into further useful space (subject to obtaining planning permission), and a walk-in cupboard (providing potential to house stairs to a loft conversion) also having further built-in storage. Original doors lead to the three good sized bedrooms, all of which can easily accommodate a double bed and furniture. Completing the accommodation is the impressive family bathroom which has a four-piece suite incorporating both a timber panelled bath and a separate double shower cubicle, with feature tiled splashbacks and a natural slate tiled floor.

Outside

To the rear, timber decking provides a lovely seating and entertaining area enjoying a good degree of privacy, with a dining area, leading to a stocked garden with gravelled edging and a pond, and a crazy paved path running through the centre to space for a shed and greenhouse. There is a useful brick built outbuilding divided not storage and a gardener's WC. To the front is a gravelled area providing parking.
