Little Meadow

Corby, NN18 8JN

If you want a home that's already been improved in all the right places, this property in Little Meadow should be top of your list.

Set within the village of Great Oakley and occupying a good plot, the home is modern and stylish throughout and has been thoughtfully extended on the ground floor, alongside a garage conversion that adds genuinely useful, flexible living space. The ground floor includes a comfortable lounge, a separate kitchen and a dedicated dining room, while the extension and converted garage create an additional family room that works perfectly as a snug, playroom or second reception space depending on your needs, supported by a convenient ground floor WC and useful storage. Upstairs, there are three bedrooms and a family bathroom, providing practical accommodation for families, guests or home working. Externally, the front offers a lawned area and a driveway providing off-road parking, while the rear garden has been designed with lifestyle in mind, featuring a decked seating and dining area for entertaining and the standout addition of a bespoke detached garden room. This versatile space is ideal as a home office, gym or a relaxing lounge away from the main house, making the garden feel like an extension of the living accommodation and giving the property year-round appeal.
