Hendersons are delighted to welcome Flat 5, 10 Brunswick Street to the market.

Set in the heart of Whitby, just moments from the well-known Baxtergate and the bustling Flowergate, this charming two-bedroom top floor flat offers a unique blend of convenience and character.

The property boasts a bright and airy feel throughout, with a spacious living room enjoying a stunning bird's-eye view across the town centre. From here you can take in the picturesque surroundings, including glimpses of the iconic Whitby Abbey through the velux windows.

Both bedrooms are well-proportioned and benefit from velux-style windows also, allowing an abundance of natural light to pour in and enhancing the bright, airy atmosphere. In the main bedroom there is a walk in wardrobe which is a great addition to help maximise the use of space, and also access to the roof space from here!

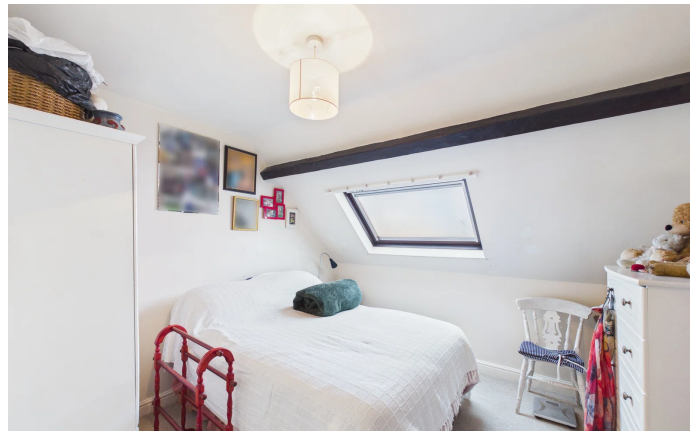

A standout feature of this home is its private strip of garden - an increasingly rare find in such a central location. Rich with greenery, the space offers a peaceful retreat above the town with a natural, leafy setting that feels far removed from the bustle below. It provides excellent potential for keen gardeners, with ample opportunity to grow a variety of plants, flowers, or even a vegetable patch. There is also a convenient storage space in the yard - perfect for storing garden tools, chairs or even a bike!
