SUMMARY

A truly stunning four-bedroom Gothic-style Victorian terraced family home, beautifully modernised throughout to create an exceptional residence that effortlessly combines timeless character with contemporary luxury. Immaculately presented & finished to an outstanding standard, this elegant home oozes class while retaining an abundance of period charm.

The spacious accommodation is arranged over 3 floors and comprises an impressive entrance hall, elegant sitting room, formal dining room & a superb high-specification kitchen/breakfast room designed for modern family living. The ground floor also benefits from a utility room, cloakroom/WC & a versatile study/games room.

The 1st floor offers three well-proportioned bedrooms, including 2 generous doubles & a single bedroom currently utilised as a stylish dressing room, together with a contemporary shower room.

Occupying the entire 2nd floor is the luxurious principal bedroom suite, featuring a sumptuous, opulent bathroom & a useful storage cupboard, creating a private sanctuary away from the rest of the home.

Externally, the property is approached via an attractive wrought iron gate with a pathway leading to the front entrance. To the rear is a beautifully enclosed garden enjoying a sunny aspect, providing the perfect setting for relaxing or entertaining family & friends. The garden also benefits from off-road parking for 1 vehicle. Further enhancing the home's appeal are fitted solar panels, offering improved energy efficiency.

This outstanding Victorian home seamlessly blends period elegance with modern sophistication, creating a remarkable family home.

ACCOMMODATION

Wooden door opening into the entrance vestibule.

Velux window to the roof. uPVC double-glazed window to the rear elevation.

OUTSIDE

The property is approached via a wrought-iron gate providing access to a paved path which leads to the front door. The main section of front garden is paved with 3 bay trees in a central area surround by a buxus hedge. To the rear, there is a lovely paved patio seating area with an outside tap. From the patio, a couple of steps lead down to a hard stand providing off-road parking for 1 vehicle, a barbecue point to 1 side, and access to a large storage shed. A roller door leads out to the service lane. Outside power available.

AGENT'S NOTE

The property benefits from a solar PV system with a 10 kWh battery storage system, generating approximately 5,000 kWh (5 MWh) of renewable electricity each year. The system helps reduce energy bills by powering the home, storing excess energy for use when needed, and exporting surplus electricity back to the grid.
