£995,000

Tucked away within easy reach of open fields and ancient woodland, yet moments from the charm of Ickenham village, this striking three bedroom detached home offers the kind of space, light and quality that rarely comes to market in this sought-after pocket of North West London. Extensively refurbished by the current owner to an exceptional standard, the property combines generous proportions with modern elegance throughout. At its heart is a superb open-plan kitchen and living area, a beautifully considered space ideal for family life and entertaining alike, complemented by a separate reception room offering welcome flexibility as a formal sitting room, playroom or snug. This beautiful home further comprises a welcoming entrance porch and large hallway, three well-proportioned bedrooms, a contemporary bathroom suite with both bath and separate shower cubicle, a dedicated W/C, ground floor cloakroom, utility room and a versatile home office, easily adaptable as a fourth bedroom for larger families or those needing dedicated guest accommodation. Outside, the landscaped rear garden stretches to approximately 100ft, providing a genuinely impressive and private outdoor space for families, which also features outside lighting. To the front, a private driveway leads to a garage with off-street parking for two vehicles and, further on, road parking for visitors.

For commuters, Ickenham Underground Station (Metropolitan and Piccadilly lines) provides direct access into Central London. The A40, M40 and M25 are all within easy reach for those travelling by road. Families will value the proximity to both Breakspear and Vyners schools, while the village itself offers an excellent selection of independent shops, cafés and restaurants. A home of this size, quality and setting in Ickenham is a genuine rarity. Early viewing is strongly recommended.
