Tucked away in a cul-de-sac and occupying a generous corner plot, this attractive detached bungalow presents an ideal opportunity for those seeking a comfortable and low-maintenance home, particularly suited to those in retirement. Conveniently located within walking distance of Clevedon town centre, the medical centre, and Aldi supermarket, the property enjoys a peaceful yet well-connected setting.

Inside, the home offers a well-considered layout beginning with a central hallway that provides access to all rooms and includes two built-in storage cupboards. There are two spacious bedrooms, both benefiting from integrated storage solutions that maximise practicality without compromising on space. The living room is bright and welcoming, with ample space for seating and relaxation. It opens into a light-filled conservatory at the rear of the property, creating an ideal space for enjoying the outlook over the garden throughout the seasons. The kitchen has been fitted in a modern style, with good storage options, generous worktop space, and everything arranged for ease of use.

The shower room has also been updated to a contemporary standard, complete with a large built-in storage cupboard, offering both function and comfort.

Externally, the property is set within beautifully maintained gardens to both the front and rear. The rear garden is particularly private, featuring a combination of lawn and patio areas perfect for outdoor dining or relaxing in the sun. A separate outbuilding to the rear provides excellent additional storage or could be repurposed as a utility area, depending on your needs.

Completing the offering is a long private driveway leading to a single garage, providing ample off-street parking.

A detached two bedroom bungalow in quiet cul-de-sac near Clevedon centre. Modern interiors, conservatory, garage, generous garden, ideal for retirement.
