

North Green Road, Pulham St Mary

£550,000

4 2 2

This substantial, four-bedroom detached house offers versatile, spacious living across two floors. Over the last couple of years, the property has undergone a significant refurbishment programme, including extensions and upgrades finished to a high specification. Great care and attention to detail was undertaken to the redesign to maximise space, light, and flexibility. Presented in show home condition, the property features high-quality fixtures and fittings for comfortable, modern living. Some of the renovation works have included a new roof, a complete new heating system (comprising a modern oil-fired boiler with associated pipework and radiators), full rewiring, replacement windows and doors, replastering and new flooring throughout.
