Unlike many properties of this style, this home features secure, gated off-road parking for two cars-a significant and unusual asset for a central location that truly sets it apart.

The property has been thoughtfully maintained and improved, now boasting recently installed double glazing throughout and a high-quality composite front door, providing a fresh, modern look and enhanced security.

Ground Floor

The heart of the home is a bright and airy open-plan living and dining area, perfect for modern lifestyles and entertaining. The space flows seamlessly into a well-appointed kitchen. A key feature of the ground floor accommodation is the addition of elegant French doors that open directly from the living space onto the rear garden, creating a wonderful "indoor-outdoor" feel and flooding the room with natural light.

First Floor

Upstairs, you will find two generously sized, comfortable bedrooms served by a contemporary, modern fitted shower room.

Outside & Garden

The exterior of this property is just as impressive as the interior. To the rear is a beautifully landscaped, low-maintenance garden designed for relaxation. At the foot of the garden sits a charming summer house, which benefits from its own dedicated power supply, making it an ideal space for a home office, hobby room, or outdoor retreat.

Location

Perfectly situated for convenience, the property is just a short stroll from Desborough's local amenities, including shops, cafes, and leisure facilities. Families will also appreciate the close proximity to the local primary school, making the morning school run effortless.

Combining town-centre convenience with the luxury of private parking and a powered garden studio, this home is a rare opportunity that must be viewed to be fully appreciated.
