Williams Harlow Cheam - A turn key family home with meticulous design and stunning luxury throughout. A house which demands your attention.

The Property - Perfect Execution

Like a swan, graceful beauty above the surface whilst all the hard work goes on unseen. This house makes an impactful first impression and it is certainly a good looking house. The sage windows offer subtle highlights against the Cornish cream render whilst the centralised oak frame porch looks glorious. Inside it is more of the same, effort, love, money, design and planning have created an interior which is characterful and luxurious as well as practical for the everyday. Work from home? Excellent, you can use the study. Like to entertain or spend more time as a family? Superb, you will whittle hours away around the table in the kitchen. Have a growing family or often receive guests? The double bedrooms are serviced by bathrooms with high water pressure and immaculate suites. Do you work hard and want a place of calm?
