# Rosewarne Road, Gwinear, Hayle

Guide Price £240,000

As you pull up on the driveway, the property makes a great first impression. A traditional Cornish build, it combines exposed granite with whitewashed walls, all framed by the garden's mature trees and greenery – for us, this captures the timeless idea of Cornish country living. Inside, the kitchen is fitted with a sleek range of high-gloss cabinets and complementary work surfaces, with a window that looks out over the garden — the kind of view that makes even the washing up a pleasure. The adjoining dining room is full of character, featuring whitewashed granite walls and beamed ceilings, creating a fabulous space for entertaining or enjoying family meals. The living room is generously sized and equally rich in character, with a southerly facing window that fills the space with natural light throughout the day. Also on the ground floor is a beautifully remodelled bathroom, finished to a high standard with a modern white suite including a dual flush WC, hand basin, bath, and a separate shower cubicle with electric shower. Upstairs are two lovely bedrooms, with the front bedroom enjoying a bright, sunny southerly aspect. Outside, the gardens are of a generous size and brimming with potential for a keen gardener, already featuring a variety of mature plants and shrubs.
