

14 Fore Street, Shaldon, TQ14 0DZ

Offers in excess of £550,000

Goodmove are delighted to present this delightful Grade II listed property, offering versatile living space, in the heart of this charming seaside village on the South Devon coast.

The accommodation briefly comprises a welcoming entrance hall, living room with homely feel, light filled dining room, breakfast kitchen and a shower room. Stairs lead to a split landing with a spacious main bedroom and en-suite bathroom. On the other side of the property are three further bedrooms (one being used as utility) and second bathroom. Previously, the three bedrooms were utilised as a holiday flat with the 4th bedroom/utility used as a kitchen and the second bedroom as a living room.

From the landing there is also access to a small terrace above the ground floor bathroom with wrought iron balustrade and spiral steps leading to the outside. There is a charming courtyard to the rear which is fully enclosed with a pedestrian door to the street and a parking area to the front. Additional parking could be created within the rear courtyard.

Shaldon is a quintessential South Devon village which nestles quietly on the south bank of the River Teign Estuary. With Georgian architecture at its very heart, mixed with pretty thatched cottages, meandering lanes, donkey-wide streets, quaint shops and traditional village green, it still retains the charm of its fishing village heritage.

The property has been competitively priced, and we invite proceedable buyers to arrange an early viewing.
