RICHARD HARDING

Enjoying spectacular southerly views over Bristol's historic harbour and many skyline features; a highly versatile and most appealing, mid-terraced, Victorian period townhouse, circa 1,920 sq. ft., offering spacious 3/4 double bedroom, 2 bath/shower room accommodation with sunny south facing 38ft well-stocked rear garden.

Key Features

- Argyle Place forms part of an elegant terrace of early Victorian houses, it offers flexible accommodation arranged over four floors and has been greatly enhanced by our vendor clients during their stewardship. Without question the most salient feature which separates this from surrounding properties is the remarkable panoramic view to the rear elevation, and from the upper two floors of the house particularly.
- An attractive town house with high ceilings and an abundance of period features including double glazed sash windows, exposed wooden floorboards, ornate moulded plasterwork, and period fireplaces. These blend seamlessly with some high quality additions including replacement kitchen with integrated appliances, stylish and modern family bath/shower room, and powder coated aluminium double glazed windows across the rear elevation with picture window and double doors opening onto Juliet balcony with frameless glass balustrade.
- Enjoying a quiet and tranquil setting away from the hurly burly of the fashionable Clifton Village and yet providing ease of access. Clifton enjoys an enviable reputation with an eclectic and diverse range of boutique shops, bars, restaurants, and further essential services. The architecture is varied and striking with 400 acres of open space found on the Downs just under a mile away. There are also a number of excellent nurseries, primary and secondary schools in the vicinity making it a popular area for family buyers. The city centre is easily accessible by foot.
- **Ground Floor:** entrance hall, ground floor office/4th bedroom, sitting room.
- **Lower Ground Floor:** hall, kitchen/breakfast room, living room, second bathroom, rear hall/utility.
- **First Floor:** landing, double bedroom with walk in wardrobe, family bath/shower room.
- **Second Floor:** part galleried landing, 2 further double bedrooms.
- **Outside:** front courtyard, lower level courtyard area with two storage rooms, fully enclosed south facing rear garden with raised terrace.
- A most appealing and deceptively spacious period residence with so much to appreciate and savour - location, facilities, atmosphere, views, character and lots of light.
