

5 BRIDGE CLOSE
WICK
BRISTOL
BS30 5AF
£695,000

MODERN, STYLISH AND DESIGNED WITH CONTEMPORARY FAMILY LIVING IN MIND, THIS IMPRESSIVE FOUR-BEDROOM HOME ON BRIDGE CLOSE ENJOYS A PEACEFUL POSITION WITHIN THE DESIRABLE VILLAGE OF WICK. WITH ITS BEAUTIFULLY FINISHED INTERIORS, THOUGHTFUL LAYOUT AND EASY CONNECTION BETWEEN THE HOUSE AND GARDEN, THIS IS A HOME THAT FEELS EQUALLY SUITED TO BUSY FAMILY LIFE AND RELAXED WEEKENDS AT HOME.

Location is a real highlight. Wick offers a wonderful balance between village and city living, with the surrounding countryside providing plenty of opportunity for walks and fresh air, whilst Bath is within easy reach for its independent shops, restaurants, cafés and cultural attractions. Bristol is also readily accessible, making the location particularly appealing for those looking to enjoy a quieter village lifestyle without feeling disconnected from the city. For families, the highly regarded Wick Primary School is an especially attractive feature, whilst the village itself offers a friendly community atmosphere and a range of local amenities.

Step through the front door into a welcoming entrance hallway, leading through to the impressive open-plan kitchen, living and dining space which forms the natural heart of the home. Sleek cabinetry, integrated appliances and a generous amount of worktop space give the kitchen a premium feel, whilst the adjoining living and dining areas provide plenty of room to relax, work and entertain. Wide bifold doors open onto the rear garden, bringing an abundance of natural light into the space and creating a lovely connection between inside and out during the warmer months.

A separate utility room and ground floor WC add a practical touch, whilst the principal bedroom is also positioned on this level. Complete with fitted wardrobes and a contemporary en-suite shower room, it provides a comfortable and private retreat away from the remainder of the bedrooms.

Upstairs, three further well-proportioned bedrooms offer plenty of flexibility for children, guests or home working. Bedroom four is particularly appealing, with a Juliette balcony providing an attractive outlook across the garden and towards the surrounding green space. The remaining bedrooms are served by a modern family shower room, continuing the home's high-quality finish.

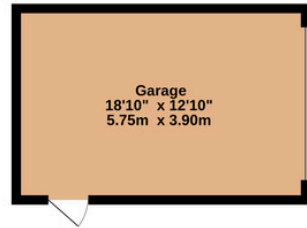

Outside, the rear garden has been designed with entertaining and relaxation in mind. A paved patio leads onto a lawned area, whilst the pergola creates a wonderful spot for outdoor dining and evening drinks. Complete with a built-in fireplace, it provides an inviting space that can be enjoyed well beyond the summer months. A detached garage, driveway parking and additional storage further add to the practicality of the property.

Adding further appeal, the home benefits from an air source heat pump, providing an energy-efficient heating solution and complementing the property's modern construction and contemporary specification.

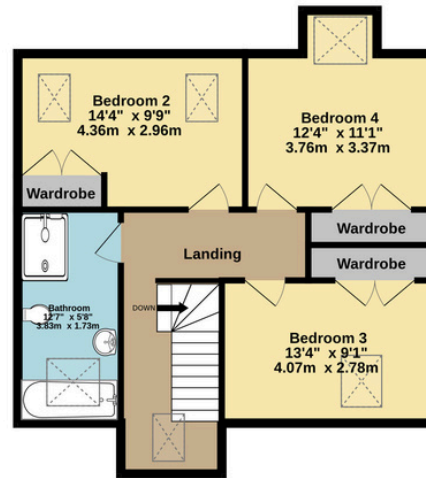

COMBINING CONSIDERED DESIGN, A PREMIUM FINISH AND A GENUINELY ENJOYABLE LAYOUT WITH THE LIFESTYLE BENEFITS OF VILLAGE LIVING CLOSE TO BATH, THIS IS A HOME THAT OFFERS A LITTLE MORE THAN SIMPLY SOMEWHERE TO LIVE — IT'S A PLACE DESIGNED TO MAKE EVERYDAY LIFE FEEL EASY, COMFORTABLE AND ENJOYABLE.

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's energy rating is B. It has the potential to be A.

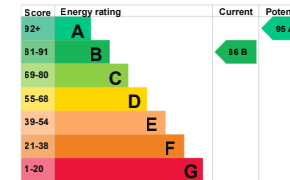

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60
