**OUTSIDE**

To the front of the property is a gravelled driveway providing off road parking for one vehicle and there is a shared driveway down the left hand (west) side of the house which provides vehicular access to the workshop at the back of the rear garden.

There is also a handy utility building just outside the back door.

The rear garden is well established and of a generous size with fencing to boundaries with a parcel of lawn in the centre and a well-stocked with wildflowers and seating area. There is a vehicle right to the side of the property which gives access to the rear garden and is exclusive to 26 Graham Road and the neighbouring property. At the end of the garden is a brick-built workshop with timber cladding with a slate pitched roof.
