THE PROPERTY

Sturt Farm Barn Bungalow presents wonderfully attractive stone and brick elevations under a clay tiled roof with the majority of the accommodation over the ground floor. Of particular note is the fine oak joinery with an abundance of exposed ceiling joists and natural finish oak coving, architraves, latched internal doors and the oak farmhouse style kitchen/dining room. The master bedroom has an interesting split level design with a double bedroom, dressing room and en suite bathroom. There are two further bedrooms and one bedroom guest accommodation with independent access. The triple aspect sitting room has a beautiful open fireplace fitted with a Scandinavian style wood burner and doors to the patio sun terrace. The barn has all main services, gas central heating via radiators and natural finish wooded framed double glazed windows.

THE GROUNDS

The gardens present lawns to the rear and front of the property and a level lawned garden towards the top of the plot. There are flagstone pathways with brick edging, two ornamental fish ponds with a wooden bridge and beautifully presented flower and shrub borders with a vast range of specimen plants, climbers and trees.

SITUATION

The property occupies an established and convenient situation for all facilities and is within walking distance of local shops and supermarkets, and Haslemere's main line station, and Camelsdale Recreation Ground. The town centre offers a comprehensive range of interesting shops and boutiques, restaurants, public houses and coffee bars. There are two hotels; The Georgian House Hotel and The Lythe Hill Hotel, both of which have spas. There are also two sports centres; The Edge and The Herons. There are excellent sports facilities at both Haslemere Recreational Ground, and at Woolmer Hill. There are numerous golf courses of high quality, and of particular note are Hindhead, Hankley, Blackmoor, Liphook and Old Thorns Golf and Country Club. The area is renowned for its excellent schools, both state and private. The A3 can be accessed at the Hindhead Tunnel, giving connections to the M25, Heathrow and Gatwick airports, and the south coast.
