WHAT'S GREAT?

Beautifully presented on the edge of Raunds, this charming two-bedroom semi-detached home offers an immaculate interior and a peaceful setting with open fields right on the doorstep—perfect for countryside walks. Originally a three-bedroom property, it has been thoughtfully reconfigured to create a more spacious two-bedroom layout, though it could be reverted if desired.

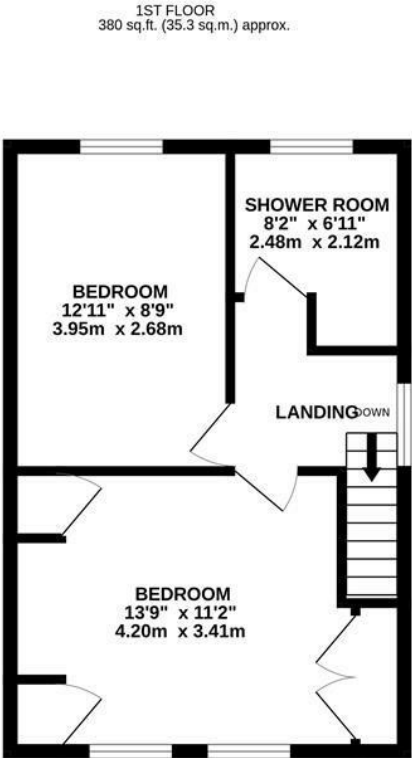

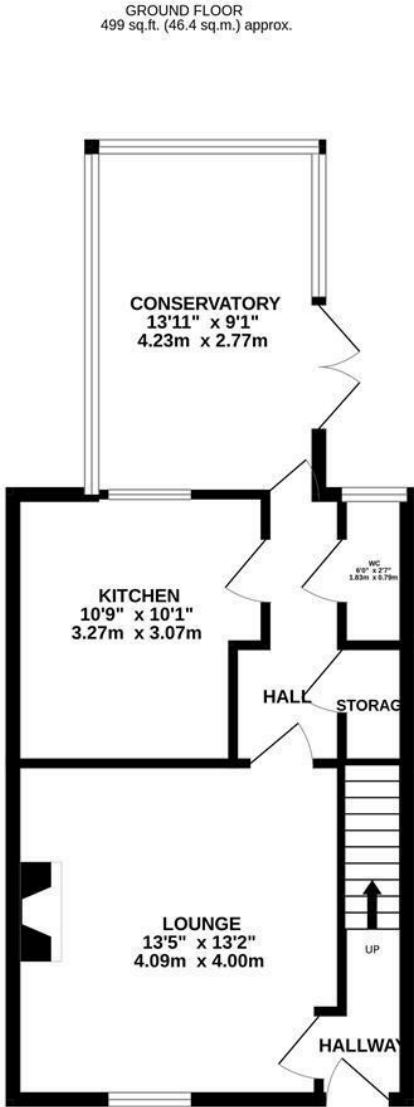

The entrance hall leads into a welcoming lounge, centred around a stunning log burner that adds warmth, character and a cosy atmosphere. From the inner hall you'll find access to a useful storage/utility cupboard, the refitted kitchen, and the impressive conservatory, which enjoys lovely views over the rear garden. This light-filled space serves as a superb additional reception room that can be enjoyed all year round. There is also a cloakroom to conclude the downstairs.

Upstairs, there are two generous double bedrooms and the master benefits from ample built-in storage. The family bathroom is notably large and modern, having gained significant extra space from the original third bedroom.

Outside, the established rear garden is surprisingly spacious and offers a high degree of privacy. To the front, a driveway provides off-road parking alongside a front garden area that could be converted to create additional parking if required.
