GENERAL REMARKS AND LOCATION

Number 9 Lysnoweth is one of 22 apartments created in 2017 from a former office complex originally built in the mid 1960's. The conversion has been undertaken to a very high standard and whilst each apartment is similar in style there are variations throughout the building. This particular apartment is arguably one of the most desirable units being on the ground floor and with a separate kitchen/dining room and main living room. There are 2 bedrooms with the main bedroom having an ensuite shower room in addition to the main bathroom. Another benefit is the allocated private parking immediately outside the main entrance and literally just yards from the front door of Number 9.

Internal viewing is essential.

Truro is renowned for its excellent shopping centre, fine selection of restaurants, bars, private and state schools and main line railway link to London (Paddington). The Hall for Cornwall is also a popular venue providing all year round entertainment and other cultural facilities include the Royal Cornwall Museum and the historic Cathedral.

The apartment is double glazed and has full gas fired central heating. There is CCTV and audio entrance phone.

In greater detail the accommodation comprises (all measurements are approximate):
