## 38a Montpelier Street Brighton, BN1 3DL

NO ONWARD CHAIN. A surprisingly spacious period conversion only moments from Brighton's seafront, which has been beautifully refurbished throughout and occupies the entire lower ground floor of this imposing bay-fronted Victorian townhouse. Located on a quiet street of pretty whitewashed properties, this charming apartment benefits from its own private street entrance, a share in the freehold and a wonderful, entirely enclosed courtyard. Internally the property is well-proportioned with a comfortable double bedroom with a large west-facing window to the front, lounge/diner - again with a large window which offers the potential for French doors onto the courtyard - modern fitted kitchen in grey high-gloss with real wood work surfaces, and a beautifully refitted shower room with contemporary fittings. Montpelier Street is regarded as one of the area's most sought-after roads due to its close proximity to a wealth of amenities including Brighton mainline railway station, the popular Seven Dials shopping thoroughfare and the many shops, cafes and restaurants on Western Road.
