1 Mountain View is a spacious home with contemporary design, having undergone a full renovation throughout.

A highly practical student property, ticking the boxes for all key student requirements, such as double beds throughout, a large kitchen and communal space, en-suites and presented to a high specification.

The property comprises seven bedrooms, each with their own double bed, study desk with chair, wardrobe and chest of drawers and benefits from a large extension to the rear which provides occupants with a spacious kitchen and living area, ideal for hosting guests and socialising. With four showers (inc 2x en-suite) and five WC's, you shouldn't be held up when getting ready for those early morning lectures.

Conveniently situated next to Main Arts and Pontio in upper Bangor, Mountain View has many amenities on its doorstep such as bars, restaurants, cafe's and several supermarkets, making it a highly desirable student area.
