**IF YOU LIVED HERE...**

Your private front door opens to a hall of your own, with stairs leading up to the apartment. Upstairs, the layout feels easy and well balanced. The reception sits to the rear, a generous room with soft neutral walls, a broad window and plenty of space to relax or gather around the table. Just beyond, the separate kitchen is finished in a classic cream palette, with plenty of storage and worktop room, while stairs from here lead directly down to the private garden.

Both bedrooms are true doubles, which gives you a nice sense of flexibility day to day. The front bedroom is especially generous, with a bay window bringing in plenty of natural light as well as fitted wardrobes. The second double has a calm feel and fitted wardrobes too. There is also a separate small bedroom, study or nursery, neatly set off the landing, so you have a little extra room to shape around your life.

The bathroom is particularly spacious, with both a freestanding

tub and a separate walk-in shower, all finished in a simple grey and white scheme. Loft space adds another practical bonus, and the private garden is a lovely surprise for a first floor apartment, especially with direct access from the flat itself.

**WHAT ELSE?**

- Epping Forest is close at hand for weekend walks, morning runs and longer rambles through the trees.
- George Lane is nearby for day to day essentials, with Waitrose, Marks & Spencer and Tipi Coffee Co all close by.
- South Woodford station is on the Central line for fast and convenient access into central London, and the Odeon cinema is nearby for film nights close to home.

**A WORD FROM THE EXPERT...**

"As a long-time resident and Manager of our South Woodford office, I can say this area captures the best of London living. It offers leafy surroundings, a warm community and great local amenities while staying well connected to the City and West End. I live locally and love exploring on my mountain bike, from the River Roding to Epping Forest and Claybury Park. Having so much green space nearby makes South Woodford feel far removed from central London. Housing is varied, with Victorian, Edwardian, 1930s and modern homes to suit all lifestyles. At the centre is George Lane, home to M&S, Waitrose and independent cafés. The International Supermarket is a local gem for global ingredients, and the Odeon cinema and friendly pubs add to the community feel. For fitness, Pause Pilates is popular. With great schools, strong transport links and a real sense of belonging, South Woodford offers an ideal city suburb balance".
